Faithful Navigators Report;

Sir Knights and Ladies,

I want to wish You and your families a Happy Thanksgiving, as we look back on the year there's plenty to be thankful for and this Thanksgiving let us be thankful for all Gods blessings that he has bestowed upon us and our family and friends. The fall weather is upon us with the cooler nights and shorter days and all the hard-working dedicated farmers in the fields harvesting the crop to feed this wonderful Country of ours. Some things that have happened in the past month our Comptroller has submitted our new audit forms to supreme as we all know paperwork is so much fun also several members of the executive attended the LWDA meeting on October 3rd in Tilbury. We have purchased tickets to some Assemblies and Council banquets that are coming up which shows a commitment to fellowship of our assembly. There is a Fourth Degree Exemplification scheduled for November 8th In Corunna at St. Joseph Parish, 346 Beresford St. Corunna therefore if you know of a brother Knight that would be interested in joining the 4th degree talk to him and invite him to our October meeting. The 5th Ontario District meeting is scheduled for October 17th at St. Ursula's Parish Hall at 205 Tweedsmuir Ave, Chatham from 10:00am to 12:30 with lunch provided. Our assembly will be providing an Honour Guard for the Bishop at the 5 pm mass in McGregor on October 16th as the LWDA host a Dinner with the Bishop.

I hope to see you at our dinner meeting in Kingsville October 15th please reply to your caller when contacted.

That is all for this month so let's thank God for all our Brother Sir Knights and keep each other in your prayers and all the ships at sea.

Faithful Friars Report;

Dear Brother Knights and Families,

As we enter the month of October, we are reminded of the beautiful gift of creation around us: with the beauty of the autumn leaves and fresher temperatures, the changing cycle of our seasons is truly a marvelous mystery of God's creative power. We read from in St. Paul's letter to the Romans that "ever since the creation of the world, His eternal power and divine nature, invisible though they are, have been understood and seen through the things He has made" (Rom 1:20). God's very imprint is invisibly present in the creation that surrounds us. The most valuable creation of course is God's imprint in human beings. Each year in October, there are opportunities for us to cherish the gift of life from the moment of conception to natural death. For initiatives like 40 days for Life and Life Chain, these are reminders for us as Catholic Christians to publicly witness to the precious gift that is in every human being. Our society tries to define the value of life based on productivity, our health status or contribution to society, but our Lord has taught that this worth is intrinsic from the very moment we are created in His image and likeness, and that worth cannot be removed. This is a time for us to pray silently in public to allow people to recall there is another option other than abortion, and that people are not alone in whatever situation they are going through. The Knights of Columbus have always been men who stand in solidarity for life, stand for women and for God in this endeavor. I encourage the brothers to partake in these initiatives or at the very least to pray for greater reverence to the gift of life in Canada. As the life of our Lord Jesus in the womb was threatened by Herod, may we be like St. Joseph and our Blessed Mother to protect and preserve life. In this month traditionally dedicated to Mother Mary, we seek her prayers for our brother knights and our families.

Vivat Jesus!

Faithful Friar*

Faithful Admirals Report;

Sir Knights and Ladies,

I would like to wish everyone a Happy Thanksgiving; may you have a loving time with friends and family.

Please never stop recruiting as it keeps not only the Fourth Degree and our Third Degree Councils alive with new ideas and new energy. I will have the Christmas tickets at the next two meetings. If you cannot attend the meetings, please call me at [226-787-6963](tel:226-787-6963) and I can reserve your tickets, it will be held in Amherstburg on Sunday Dec 6 and the Doors open at 4:00pm and dinner is at 5:00pm. Please remember like always if you order tickets and do not show you are still required to pay for the tickets. Just a reminder October is dedicated to the Holy Rosary so please pray it often if not Daily. One last thing it is Harvest time in our area so please be aware of the farm equipment on the roads so our Farmers are able to harvest their crops safely.

VIVAT JESUS!

Faithful Captain Report;

Sir Knights and Ladies,

Happy Fall! This is my favorite time of the year.... Hockey and football back on, leaves turning colours and no more humid hot days. October 15th is our dinner meeting at the St John de Brebeuf church basement. dinner at 6pm, meeting at 7pm. We will be having ribs, baked potatoes with all the fixings, coleslaw and dessert for \$22 p/p. There is no scheduled ladies program, but if your spouses want to come, they can come and socialize and play cards with the other ladies in the Fr. Doll room.

Also, our Christmas turkey dinner will be held December 6th in Amherstburg Columbus Hall. Doors open at 4pm, dinner at 5pm. Our Members price is \$40 p/p and visiting members from other councils the cost is \$50 p/p.

Vivat Jesus,

Sir Knight Martin Dekold, Faithful Captain

Faithful Comptrollers Report;

Sir Knights and Ladies,

I hope everyone enjoyed the summer, warm but nice. We have lost a couple of members due to non-payment of dues. We may have a couple of new members but that will have to wait until spring. We are putting an application in to have an exemplification back here again. Hopefully we can get new members with the exemplification being here again.

We are in the process of moving our accounts from one institution to another due to new charges from our old one. This is a daunting task as the paperwork is not making it easy. We need to move the lottery and chalice accounts over now or get charged a monthly fee. The general account is ok right now as the balance is just high enough to avoid fees. We have a small certificate of deposit so it may mean it stays there until the CD matures later this year.

I should have the membership cards printed up before the meeting this month so everyone can get their card before they leave to go south and/or pay their membership fee. It is still \$30 this year. Please pay promptly so we do not have to send out too many notices.

I hope everyone can stay well and take care. God Bless

SK. Paul Peltier, Faithful Comptroller,

PCK, PFN
